

2017 HURRICANE SEASON MESSAGE:

AMERICAN & INTERSTATE SIGNCRAFTERS IS YOUR DISASTER RECOVERY PARTNER

Following Hurricanes Harvey and Irma, we are reaching out to all clients, partners and peers to advise we are fully operational and ready to assist Floridians, Texans, and the business community at-large in returning to business.

For existing clients we have already begun the process of deploying crews and trucks to begin surveys, remediations, and installations in both the state of Florida and Texas.

For national organizations and local businesses that require assistance, but don't know where to start, we welcome the opportunity to survey, remediate, and restore your business presence as quickly as possible.

Things you should know:

- We are bonded, licensed and insured.
- We work with most major insurance companies.
- We are a "Certified Disaster Recovery Partner" for several national organizations.
- Our South Florida factory and staging location is operational as of September 13, 2017.
- Our New York and New Jersey factories were wholly unaffected.
- Our state-of-the-art fleet -- 60' reach cranes, 45' reach Sky Hooks, 35' reach bucket trucks, trailers, fleet of box trucks, flatbeds, and pick-up trucks -- is staged in South Florida, is wholly unaffected, and at your disposal.
- Our signage turn-key services remains in tact and our in-house crews are available to conduct surveys, service, remediation, repair, and installation -- **immediately**.

If your organization was affected by Hurricane Irma or Hurricane Harvey please don't wait to start the rebuilding process, reach out to us today: service@interstatesigncrafters.com.

Sincerely,

Chairman and CEO

P.S. If you know of an organization affected by Hurricane Harvey or Irma please share this message with them today.
